PARTS & INDUSTRIAL SUPPLIES

ABOUT US

German Gulf Enterprises (GGE) with more than 50 years of experience has earned a reputation as a trusted leader in providing genuine parts, industrial supplies, and innovative solutions across the UAE. We proudly serve a broad spectrum of industries, including construction, automotive, industrial, and marine sectors, offering world-class products and services that ensure our customers' operational success.

OUR AUTHORIZED PARTNERSHIPS

As an authorized distributor for globally renowned brands, GGE delivers the highest quality products for a range of industries. Our key partnerships include:

PUTZMEISTER : Concrete pumps and mortar machines

DEVELON : Advanced construction equipment

LIEBHERR : Truck mixers and batching plants

ATLAS : HIGH-PERFORMANCE TRUCK-MOUNTED CRANES

GEHL : Versatile construction equipment

EP : Reliable forklifts

MOBIL : Premium lubricants for industrial, automotive, aviation and marine applications

US BATTERY : Leading solutions for golf carts, aerial platforms, and cleaning machines

TAURUS BATTERY : High-performance automotive batteries (40–230A) made in Malaysia, built for durability, power, and reliability across all vehicle types.

LUCHS

Luchs by German Gulf Enterprises, offers wide range of high-quality products designed to meet the diverse needs of industries, Luchs products include **batteries, brake drums, filters, lubricants and coolants**. Luchs is synonymous with reliability and durability, and our extensive selection is trusted by customers across various sectors.

INFRASTRUCTURE AND REACH

GGE's robust infrastructure is designed to ensure fast, reliable service. With five strategically located branches and major warehouses in Sharjah, Dubai, and Abu Dhabi.

we maintain an extensive inventory of over 5,000 line items to ensure product availability and quick service.

OUR INFRASTRUCTURE INCLUDES:

EFFICIENT INVENTORY MANAGEMENT

Our robust inventory management system ensures the immediate availability of critical parts, reducing lead times and helping customers avoid costly downtimes.

LOGISTICS SUPPORT

With a dedicated logistics team and streamlined processes, we guarantee the timely delivery of parts to customer facilities. Our advanced logistics capabilities allow us to maintain short lead times, ensuring that your equipment runs smoothly without delays.

DEDICATED TEAMS

COUNTER SALES :Our in-person sales support team is always available to provide expert advice and assist customers with their needs.

BACK OFFICE :Our efficient back-office team responds quickly to inquiries, ensuring a fast turnaround for order processing and technical support.

OUTDOOR SALES EXECUTIVES :We provide personalized service with outdoor sales executives who manage key accounts, offering tailored solutions and ensuring long-term customer satisfaction.

PARTS & INDUSTRIAL SUPPLIES

TAILORED CUSTOMER SOLUTIONS:

At GGE, we don't just offer products; we provide tailored solutions designed to optimize operational efficiency and meet the unique needs of our customers:

- **CONSIGNMENT STOCK PROGRAMS:** with our consignment stock programs, we place critical parts at your location, allowing immediate access when needed. This minimizes downtime and ensures that essential components are always on hand.
- **ANNUAL PRICE AGREEMENTS:** our annual price agreements offer predictable pricing for long-term planning, helping customers budget effectively and avoid unexpected costs. These agreements guarantee availability and secure pricing, providing stability in procurement.
- **BATTERY SOLUTIONS:** high-quality batteries from leading brands like US Batteries, Luchs, and Taurus, ideal for automotive, industrial, cleaning machines, and aerial platforms, sourced from the USA, China, and Malaysia.

WHY CHOOSE GGE?

At German Gulf, we offer a comprehensive selection of top-tier products and expert after-sales support. Our commitment to quality, reliability, and customer satisfaction ensures that you have the best solutions available to keep your operations running efficiently.

OUR PROMISE

At GGE, we don't just supply parts; we provide reliable, tailored solutions that drive success. Our extensive industry knowledge, technical expertise, and unwavering commitment to customer satisfaction make us a trusted partner for all your parts, supplies, and support needs

READY TO POWER UP YOUR BUSINESS?

Contact us today to explore the best options for your needs and receive expert support to your requirements.

GENUINE PARTS

WHY GENUINE PARTS ?

- **Quality & Compatibility:** Precisely engineered to meet manufacturer's specifications, ensuring seamless fit and optimal performance.
- **Longer Equipment Life:** Built to endure, genuine parts reduce wear and tear, extending the lifespan of your equipment.
- **Enhanced Safety:** Compliant with rigorous safety standards to safeguard operators and improve on-site safety.
- **Cost Efficiency:** Lowers repair costs and prevents unexpected downtime, optimizing overall operating costs.
- **Global Reach and Support:** German Gulf provides quick access to Genuine parts, ensuring fast delivery and consistent support to minimize project delays.

GLOBAL LEADER IN WAREHOUSE & MATERIAL HANDLING SOLUTIONS

EP Equipment known for innovative and efficient forklifts, pallet trucks, and other industrial equipment. As the authorized dealer for EP Equipment, German Gulf Enterprises supplies genuine parts that help maintain EP's high standards of durability, performance, and efficiency.

PRODUCT RANGE

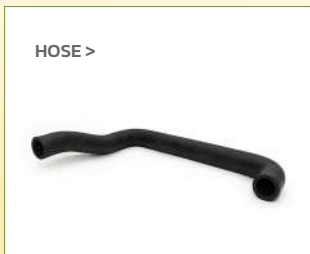

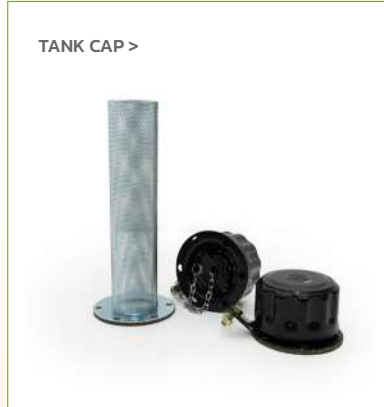

IS KNOWN FOR ITS:

Durable and versatile construction and agricultural equipment, Gehl has built a reputation for quality and innovation.

As the authorized dealer for Gehl, German Gulf Enterprises provides genuine parts designed to uphold Gehl's commitment to reliability and performance. Each part is crafted to the same high standards as the machines themselves, ensuring compatibility and sustained productivity.

PRODUCT RANGE

GLOBAL LEADER IN BLOCK MANUFACTURING EQUIPMENTS

Zenith is a global leader in manufacturing equipment for the concrete block and paver industry. Renowned for its cutting-edge technology and exceptional machinery, Zenith provides solutions for the production of high-quality concrete products.

German Gulf, as the authorized dealer for Zenith, offers genuine parts that ensure your Zenith equipment maintains its reputation for precision, reliability, and productivity.

☰ MOBIL INDUSTRIAL LUBRICANT

Equipment breakdowns can disrupt your operations, impact customer relationships, and incur costly downtime.

Mobil industrial lubricants are designed to prevent these issues, offering exceptional, balanced performance for today's industrial needs. From advanced mineral oils to synthetic lubricants, Mobil products are formulated to handle high or low temperatures, heavy loads, and wet environments, extending lubrication intervals and keeping your business running smoothly.

As the authorized dealer for Mobil industrial lubricants, German Gulf Enterprises provides reliable access to these high-performance solutions to keep your equipment in optimal condition.

☰ KEY BENEFITS OF MOBIL INDUSTRIAL LUBRICANTS

- Enhanced Durability:

Engineered for longer lubrication intervals, minimizing maintenance needs.

- Temperature Resilience:

Performs effectively in both high and low temperature environments.

- Load-Bearing Capacity:

Designed to withstand high loads without sacrificing performance.

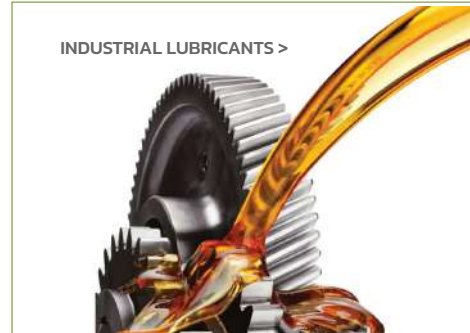

- Corrosion Protection:

Provides a protective barrier in wet and challenging conditions.

- Versatile Application:

Suitable for a variety of industrial operations, ensuring consistent, reliable results.

PRODUCT RANGE

☞ LUCHS LUBRICANT

LUCHS is renowned for its high-performance lubricants, engineered to deliver exceptional durability, wear protection, and cleanliness across a wide range of applications.

LUCHS lubricants, are formulated with advanced hydrocracked base oils and balanced additives to support heavy-duty engines in the most demanding environments.

As a trusted supplier, German Gulf Enterprises offers LUCHS lubricants designed to maximize engine efficiency, extend lifespan, and reduce maintenance costs.

☞ KEY BENEFITS OF LUCHS LUBRICANT

- **Universal Protection:** Specially formulated for both petrol and diesel engines, ensuring optimal performance across all passenger vehicles.
- **Extended Engine Life:** Advanced additives reduce wear on critical components, protecting your engine for the long haul.
- **Thermal Stability:** Resists breakdown under extreme temperatures, preventing sludge and deposit formation.
- **Fuel Efficiency Boost:** Low-friction formula enhances mileage while maintaining engine cleanliness.
- **Corrosion Protection:** Shields engine parts from oxidation and acid buildup, even with today's high-performance fuels.
- **Smooth Operation:** Ensures quiet, responsive performance in both city driving and high-speed conditions.

☞ LUCHS BRAKE DRUMS

GGE proudly offers Luchs brake drums, designed to deliver exceptional durability & precision for heavy-duty vehicles & equipment. Trusted for their reliable performance, Luchs brake drums ensure optimal safety & efficiency under demanding conditions.

- **Exceptional Durability:** Manufactured from high-quality materials, Luchs brake drums are built to withstand extreme loads and prolonged usage.
- **Precision Engineering:** Designed for accurate braking performance, ensuring smooth and consistent operations in diverse environments.
- **Reliable Performance:** Resistant to wear and tear, these brake drums are ideal for applications requiring dependable stopping power.

With Luchs brake drums, you get unmatched quality and long-lasting performance, keeping your operations running smoothly and safely.

☰ LUCHS FILTERS (AIR, OIL, HYDRAULIC, FUEL)

At German Gulf, we proudly offer Luchs filters as a trusted solution to optimize the performance and longevity of your machinery. Designed to meet the highest industry standards, Luchs filters ensure seamless operations and protection for your equipment in demanding environments.

- **Air Filters:** Keep your engines running smoothly by preventing harmful particles from entering and damaging internal components.

- **Oil Filters:** Ensure efficient lubrication and extended engine life by removing impurities from the oil system.

- **Hydraulic Filters:** Maintain the integrity of your hydraulic systems by effectively filtering out contaminants, reducing wear, and preventing system failures.

- **Fuel Filters:** Deliver clean, uninterrupted fuel flow to your engines, enhancing efficiency and minimizing downtime.

With a commitment to quality and durability, Luchs filters are tailored to meet the unique needs of diverse industries, providing reliable solutions that safeguard your investments and keep operations running at peak performance.

☰ LUCHS BATTERY

As a brand under German Gulf, LUCHS delivers high-quality batteries designed to meet the demands of industries across the MENA region. With German engineering and manufactured to ISO9001 and ISO 14001 standards, LUCHS Batteries provide reliable power solutions at a competitive price. Tailored for sectors including construction, petroleum, marine technology, and hospitality, LUCHS combines durability with performance, meeting international OEM standards to ensure dependable, high-performance energy.

☰ KEY FEATURES OF LUCHS BATTERY

- German Engineering:

Manufactured to precise German quality standards for unmatched reliability.

- ISO Certified:

Meets ISO9001 and ISO 14001 certifications, ensuring quality and environmental compliance.

- Competitive Pricing:

Offers exceptional value without compromising on quality.

- Industrial Strength:

Designed for the rigorous demands of construction, marine, and heavy-duty sectors.

- Comprehensive Range:

Suits various applications, providing reliable power across multiple industries.

TAURUS BATTERY

Taurus Battery, manufactured in Malaysia, offers a versatile range of batteries from 40 to 230A, providing reliable power for all types of cars. Known for their exceptional performance and durability, Taurus batteries are designed to meet the power demands of both small and large vehicles. As the authorized dealer for Taurus Battery, German Gulf Enterprises ensures you receive genuine products with guaranteed quality and support for long-lasting performance.

KEY FEATURES OF TAURUS BATTERY

- **Wide Range:** Available in sizes from 40 to 230A, suitable for all types of cars, from compact vehicles to larger engines.
- **Made in Malaysia:** Manufactured with high-quality standards, ensuring reliability and durability.
- **Enhanced Durability:** Built to withstand extreme weather conditions and heavy usage, providing consistent power.
- **High Performance:** Designed to deliver strong and dependable performance, ensuring your vehicle runs smoothly.
- **Low Maintenance:** Taurus batteries are designed for ease of use with minimal maintenance required, making them hassle-free.
- **Eco-Friendly:** Taurus batteries are designed with sustainability in mind, minimizing environmental impact without compromising on quality.

US BATTERY

U.S. Battery offers high-quality Flooded Lead Acid and Sealed Lead Acid batteries, specifically designed for golf carts. These batteries provide fast cycle-up, excellent energy output, and low maintenance, maximizing uptime and minimizing costs.

With over 90 years of experience, U.S. Battery is a trusted name in deep-cycle battery technology, delivering reliable power for golf carts in both leisure and industrial settings.

KEY FEATURES OF U.S. BATTERIES

- **Fast Cycle-Up:** Quick recharge for longer operational time.
- **Superior Energy Output:** Consistent power for golf carts.
- **Durability:** Built to last with minimal maintenance.
- **Long Life Span:** Maximizes total energy over its lifetime.
- **Environmental Commitment:** ISO 14001:2015 certified for eco-friendly practices.

PRODUCT RANGE

US 2000 XC2 (260 X 181 X 286)

20 Hour Rate: 220
Equivalent to Trojan T-105

US 8VGC XC2 (260 X 181 X 286)
8-Volt Deep Cycle - Golf, Multi-purpose
20 Hour Rate: 170
Equivalent to Trojan T - 875

US 2200 XC2 (260 X 181 X 286)
Voltage: 6-Volt Deep Cycle - Golf, Multi-purpose
20 Hour Rate: 232
Equivalent to Trojan T-125

US 145 XC2 (260 X 181 X 302)
6-Volt Deep Cycle - Multi-purpose
20 Hour Rate: 251
Equivalent to Trojan T -145

☰ GO DRIVE BATTERY

GO Drive Battery is a trusted name in the battery industry, offering high performance batteries designed for a variety of applications, including material handling, warehouse equipment, and more. Known for their exceptional durability and reliability, GO Drive Batteries provide consistent power to keep your operations running smoothly. German Gulf is the authorized dealer for GO Drive Battery, ensuring access to genuine products and expert support to maintain your equipment's performance.

☰ KEY FEATURES OF GO DRIVE BATTERY

- **Long lasting Power:**
GO Drive batteries provide consistent and reliable energy for extended operational hours.
- **Fast Charging:**
Designed for quick charging, reducing downtime and keeping your equipment running longer.
- **High Efficiency:**
Optimized for superior energy efficiency, helping to reduce operational costs.
- **Durability:**
Built to withstand heavy use, ensuring a longer battery life and minimizing replacements.
- **Maintenance Free:**
GO Drive batteries are low-maintenance, providing hassle free operation with minimal upkeep.
- **Environmentally Friendly:**
Designed with eco friendly technology to reduce environmental impact while maintaining performance.

☰ COBRA BATTERY

Cobra Battery, owned by German Gulf, offers a wide range of high performance batteries from 40 to 230A, making them suitable for all types of vehicles, from compact cars to larger engines. Manufactured with the same exceptional quality and durability as Taurus batteries, Cobra Batteries deliver consistent, reliable power to keep your vehicle running smoothly. With German Gulf as the authorized dealer, you can trust that Cobra batteries will provide long-lasting performance and support for your vehicles.

☰ KEY FEATURES OF COBRA BATTERY

- **Wide Range:**
Available in sizes from 40 to 230A, suitable for all types of vehicles.
- **High Performance:**
Delivers reliable power for consistent vehicle operation.
- **Durability:**
Built to endure extreme conditions, offering long-lasting performance.
- **Low Maintenance:**
Designed for hassle-free use with minimal upkeep required.
- **Cost Effective:**
Provides excellent value with reliable and efficient energy solutions.

☞ PETROBLUE DIESEL EXHAUST FLUID

PetroBlue is a high-purity urea solution that acts as a NOx reducing agent. It works in combination with Selective Catalytic Reduction (SCR) technology to effectively reduce NOx emissions, helping you meet Bharat VI, Euro 4,5 & 6 emission standards.

☞ Benefits:

- Helps meet emission standards
- Enhances SCR system efficiency
- Guaranteed quality
- Improved fuel economy

☞ Applications:

- Mining
- Agriculture
- Commercial vehicles
- Construction
- Marine.
