CEO MESSAGE

At German Gulf, we are committed to excellence and innovation, delivering trusted solutions across diverse industries in the **UAE** and **Qatar**.

For **over 50 years**, we've partnered with global brands to provide quality machinery and engineering expertise, supporting construction, oil & gas, marine, and more.

Guided by the values of the Bukhatir Group, we look forward to building on our legacy, driving progress, and empowering our clients with the best in service and technology.

Ayman Ahmed

INDUSTRIES, TRADING & SERVICES
BUKHATIR GROUP

BUILT TO EMPOWER | SINCE 1974

German Gulf Enterprises (GGE) has been part of the UAE's industrial journey for over 50 years. From a humble facility in Sharjah with fewer than 10 employees, we've grown into a regional powerhouse of 600+ professionals across the UAE and Qatar, serving industries that move the region forward.

CONSTRUCTION EQUIPMENT

We offer a robust lineup of equipment from trusted partners—Putzmeister, Develon, Liebherr, Atlas, GEHL, and EP Equipment—engineered for the region's toughest demands and supported by expert knowledge.

PARTS & INDUSTRIAL SUPPLIES

We're authorized distributors for global brands, delivering genuine spare parts and high-performance consumables—batteries, filters, brake drums, lubricants, and more—with tailored solutions, bulk pricing, and consignment stock programs.

HYDRAULIC SALES & SERVICE

With Bosch Rexroth, Danfoss, and HYDAC, our hydraulic division delivers complete system solutions—from design and supply to installation and servicing—for cranes, machines, and complex hydraulics.

WELDING & CUTTING SOLUTIONS

Serving Oil & Gas, Construction, Marine, and Shipbuilding sectors, we supply advanced systems and consumables from Messer, Kemppi, Hypertherm, Durma, Kotec and more—including fiber laser, plasma, and CNC solutions.

SERVICE WORKSHOP

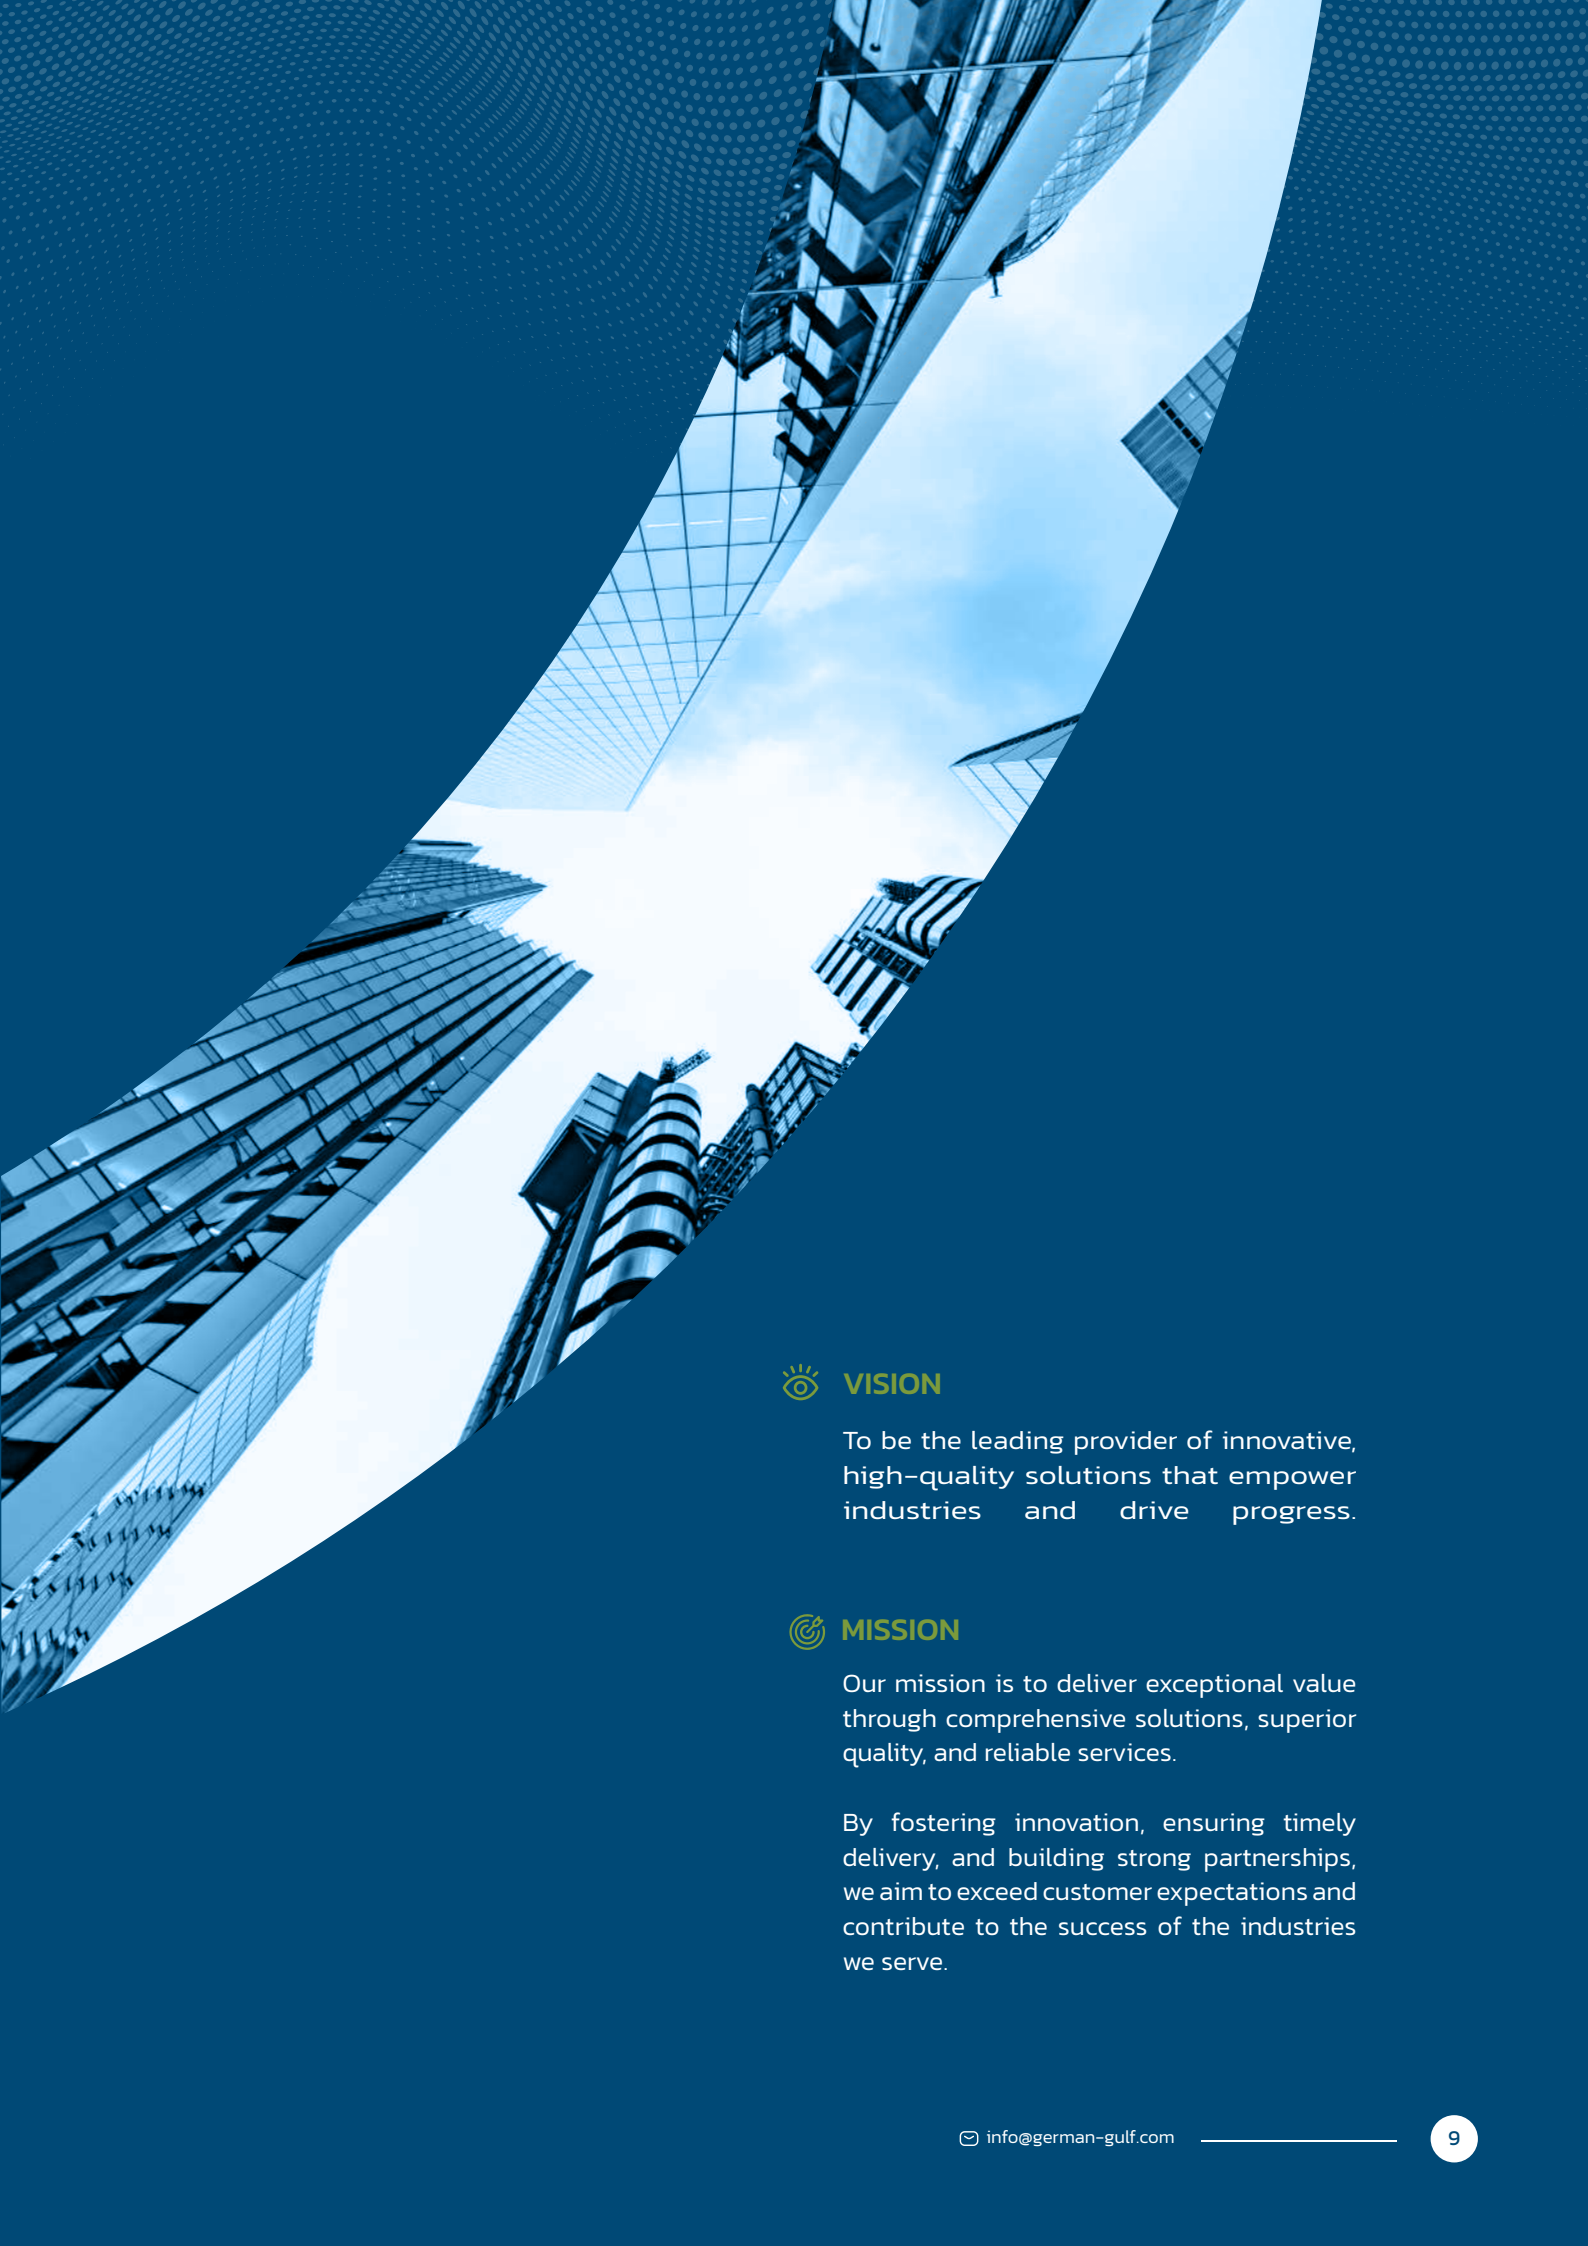

From expert vehicle maintenance to professional construction equipment repair, we keep your operations running smoothly.

Our fully equipped workshop also functions as a repair shop for heavy equipment—offering preventive maintenance, overhauls, CNC cutting, welding system calibration, custom fabrication, and after-sales service.

RENTAL DIVISION

Our fleet of excavators, loaders, and forklifts comes with certified operators and round-the-clock support—tailored to your project timeline with flexible rental terms.

Backed by the Bukhatir Group, GGE champions diversity, innovation, and service excellence. We're proud to power the industries that build the future

VISION

To be the leading provider of innovative, high-quality solutions that empower industries and drive progress.

MISSION

Our mission is to deliver exceptional value through comprehensive solutions, superior quality, and reliable services.

By fostering innovation, ensuring timely delivery, and building strong partnerships, we aim to exceed customer expectations and contribute to the success of the industries we serve.

OUR VALUES

QUALITY & RELIABILITY

We are dedicated to providing high quality products and services that meet the rigorous demands of our clients.

Reliability is at the heart of everything we do, ensuring that our solutions stand the test of time and deliver on their promises.

CUSTOMER-CENTRIC APPROACH

Our clients are our top priority.

We build lasting relationships by deeply understanding their needs and providing personalized, timely solutions that support their success.

INNOVATION & EXCELLENCE

We strive to push the boundaries of engineering and service through continuous improvement and innovation.

Our commitment to excellence keeps us at the forefront of the industry and enables us to provide advanced solutions.

INTEGRITY & TRANSPARENCY

We believe in building trust through honest communication & ethical practices.

Transparency in our operations is fundamental, fostering trust with both clients and partners.

COLLABORATION & TEAMWORK

Our success is driven by collaboration within our team and with our partners. We believe in fostering a culture of teamwork to a growth.

SUSTAINABILITY & RESPONSIBILITY

We are committed to sustainable practices that respect the environment and support our community.

We take responsibility for our impact and actively seek ways to contribute to a better future.

Elevating efficiency with our parts division

At the heart of our operations is the Parts Division, dedicated to delivering genuine parts for all our construction equipment brands.

Solutions, including partial supply and special orders, tailored to your operational needs.

A photograph of two men in a warehouse. The man on the left is wearing a yellow hard hat and a high-visibility yellow vest over a blue shirt. He is pointing his right hand towards the high shelves of the warehouse. The man on the right is wearing a white hard hat and a blue shirt. He is holding a tablet computer and looking at it. The background is filled with tall yellow metal shelving units stacked with cardboard boxes. The lighting is bright, and the overall tone is professional and industrial.

Our customers can take advantage of bulk discounts while receiving parts in stages, accommodating their storage capacity.

Our division also provides premium consumable parts such as batteries, filters (air, oil, hydraulic, fuel), fuel additives, brake drums, and coolants, ensuring we are your one-stop shop for all operational needs.

Flexible delivery options, including on-site and partial deliveries, are available to help manage your storage and streamline operations.

To further support you, we can arrange special orders for unexpected requirements, keeping your business running smoothly.

TAILORED CUSTOMER SOLUTIONS:

At GGE, we don't just offer products; we provide tailored solutions designed to optimize operational efficiency and meet the unique needs of our customers:

- **CONSIGNMENT STOCK PROGRAMS:** with our consignment stock programs, we place critical parts at your location, allowing immediate access when needed. This minimizes downtime and ensures that essential components are always on hand.
- **ANNUAL PRICE AGREEMENTS:** our annual price agreements offer predictable pricing for long-term planning, helping customers budget effectively and avoid unexpected costs. These agreements guarantee availability and secure pricing, providing stability in procurement.
- **BATTERY SOLUTIONS:** high-quality batteries from leading brands like US Batteries, Luchs, and Taurus, ideal for automotive, industrial, cleaning machines, and aerial platforms, sourced from the USA, China, and Malaysia.

WHY CHOOSE GGE?

At German Gulf, we offer a comprehensive selection of top-tier products and expert after-sales support. Our commitment to quality, reliability, and customer satisfaction ensures that you have the best solutions available to keep your operations running efficiently.

OUR PROMISE

At GGE, we don't just supply parts; we provide reliable, tailored solutions that drive success. Our extensive industry knowledge, technical expertise, and unwavering commitment to customer satisfaction make us a trusted partner for all your parts, supplies, and support needs

READY TO POWER UP YOUR BUSINESS?

Contact us today to explore the best options for your needs and receive expert support to your requirements.

GENUINE PARTS

WHY GENUINE PARTS ?

- **Quality & Compatibility:** Precisely engineered to meet manufacturer's specifications, ensuring seamless fit and optimal performance.

- **Longer Equipment Life:** Built to endure, genuine parts reduce wear and tear, extending the lifespan of your equipment.

- **Enhanced Safety:** Compliant with rigorous safety standards to safeguard operators and improve on-site safety.

- **Cost Efficiency:** Lowers repair costs and prevents unexpected downtime, optimizing overall operating costs.

- **Global Reach and Support:** German Gulf provides quick access to Genuine parts, ensuring fast delivery and consistent support to minimize project delays.

SERVICE WORKSHOP DIVISION

Where reliability meets precision

At German Gulf Enterprises, service isn't a department—it's a legacy built over decades of hands-on experience and technical excellence.

The Service Workshop Division stands at the heart of this legacy, supporting the machinery and systems that keep industries moving across the UAE.

This division brings together two seamlessly integrated sections: service workshop and the welding & cutting workshop—working in unison to deliver complete repair, refurbishment, and technical support under one roof.

A Trusted Technical Partner

With decades of experience and certified systems in place, German Gulf Enterprises' Service Workshop Division is committed to supporting UAE industries with tailored service solutions that enhance Reliability, efficiency, and longevity.

WELDING SERVICE

Diesel Service Workshop

Our Service Workshop caters to a broad spectrum of heavy machinery and commercial equipment. With a team of seasoned engineers and technicians, we provide end-to-end maintenance, refurbishment, and overhauling solutions across various industries.

CORE SERVICES INCLUDE:

- Electrical &
- Radio Remote Repairs
- Batching Plant Installation & Maintenance
- Commercial & Passenger Vehicle Services
- Accident Repairs, Painting & Body Shop
- Annual Maintenance Contracts
- Cranes & Excavators Service & Refurbishment
- Field Service & Preventive Maintenance
- Engine, Gearbox & Transmission Overhauls
- Hydraulic Cylinder & Seal Fabrication
- Fuel Pump & Injector Repair
- Mortar Machine & Concrete Pump Repair

Each service is backed by quality control systems, certified processes, and years of technical expertise ensuring minimal downtime and optimal equipment performance.

Welding & Cutting Workshop

The Welding & Cutting Workshop provides advanced cutting, welding, and calibration services designed for industrial and construction sectors.

It supports a variety of manual and CNC systems from globally recognized brands.

CORE SERVICES INCLUDE:

- Support for Manual & CNC Welding Systems
- Job Shop for Custom Plate Processing
- After-Sales Support & Service for Welding Equipment
- Fiber Laser & Water jet CNC Plate Cutting
- Welding Machine Calibration (All Brands)
- Retrofit of CNC Cutting Machines

Utilizing advanced machinery and automation, the Welding & Cutting Workshop ensures accurate, safe, and high-quality results—supporting industries that demand exacting standards.

RENTAL DIVISION

At German Gulf, we offer a comprehensive range of equipment and machinery rental solutions designed to support construction, infrastructure, and industrial sectors across the UAE and GCC.

Our Rental Division features a modern fleet of excavators, wheel loaders, bulldozers, skid steers, and more from globally trusted brands like Develon.

Whether it's a short-term task or a long-duration project, we provide scalable rental options with operator support and maintenance services.

Backed by a team of experienced professionals and a commitment to excellence, we ensure every machine delivers optimal performance where and when it's needed most

RENTAL DIVISION

WHY CHOOSE GERMAN GULF RENTALS ?

COMPREHENSIVE EQUIPMENT RANGE

We provide an extensive fleet of construction equipments including excavators, loaders, and utility machineries. With our wide selection, we ensure you'll have access to the specialized machinery needed for your project's specific requirements.

CUSTOMIZED SOLUTIONS FOR CLIENT NEEDS

At German Gulf, we understand that each project is unique. Our team works with you to provide custom solutions that aligns with your specific project requirements, enhancing productivity and efficiency.

HIGH-QUALITY & WELL-MAINTAINED FLEET

Each piece of equipment in our fleet undergoes rigorous maintenance and quality checks to ensure optimal performance on-site. Our expert team continuously updates and services the equipment, keeping it in peak condition for any challenging project environment.

TECHNICAL SUPPORT & ONSITE ASSISTANCE

Our support doesn't end at equipment delivery. German Gulf offers dedicated technical support and on-site assistance throughout your rental period, ensuring smooth operations and minimal downtime.

CUSTOMIZED SOLUTIONS FOR CLIENT NEEDS

With flexible rental terms, you can maximize your budget by renting only the equipment you need, only when you need it. This approach allows you to complete projects efficiently without the added costs of equipment ownership.

SKILLED & CERTIFIED OPERATORS

German Gulf also provides skilled operators who are certified to handle our range of specialized & critical construction challenges safely and efficiently, adding to your productivity and peace of mind.

COMMITMENT TO SAFETY & COMPLIANCE

Safety is Top priority for GGE Rentals. All our equipment complies with industry standards and is equipped with the latest safety features. Our team is also trained to ensure every piece of equipment operates within regulatory and safety guidelines, minimizing risks on the job site.

SPECIALIZED RENTAL SERVICES

GGE Rental division includes a diverse range of specialized heavy-duty machineries tailored for various construction and infrastructure needs. Round the clock operation and support as may be required by your project time to time.

CORPORATE SOCIAL RESPONSIBILITY

OUR COMMITMENT TO BUSINESS ETHICS

At German Gulf, integrity and ethical standards are woven into the fabric of our operations. We believe in the importance of responsibility, honesty, and transparency in everything we do, our commitment to these principles ensures that we comply with UAE laws and international regulations, fully supporting sanctions & embargo's designed to curb illegal activities, such as terrorism and narcotics trafficking.

Upholding truthfulness & sincerity remains a guiding force in all our business relationships.

ETHICAL SUPPLIERS, ETHICAL PRACTICES

Our suppliers are an extension of our ethical framework. We require all partners to adhere to national and international laws and to uphold human rights.

By ensuring our suppliers align with these values, we maintain the highest standards across our supply chain.

ZERO TOLERANCE FOR BRIBERY

We strictly prohibit any employee from accepting commissions, benefits, or any undue advantage in connection with company transactions.

Our commitment to anti-bribery standards means that all business dealings are conducted with integrity and fairness.

SUPPORTING OUR COMMUNITY

We believe in giving back. German Gulf actively promotes social and charitable activities that benefit local & international communities.

Our employees are encouraged to engage in these meaningful efforts, fostering a culture of responsibility and care.

CONFLICT FREE SOURCING

We take a strong stance against sourcing conflict minerals. Our supply chain partners are thoroughly vetted to ensure compliance with global standards against sourcing from conflict affected regions.

Through evaluations, agreements, and audits, we ensure that materials like tin, tungsten, tantalum, and gold are responsibly sourced, supporting international efforts against human rights abuses.

CHAMPIONING EQUAL OPPORTUNITY

German Gulf fosters a work environment built on respect and fairness. Employment decisions are based solely on merit, competency, and qualifications.

Discrimination or harassment, in any form, is unacceptable. We are committed to developing a diverse workforce where everyone is valued for their contributions.

QHSE POLICY

COMMITTED TO QUALITY, SAFETY, AND SUSTAINABILITY

At German Gulf Enterprises, our mission is to uphold the highest standards in Quality, Health, Safety, and Environmental (QHSE) practices.

We aim to consistently exceed expectations, ensuring our objectives are met with responsibility, transparency, and compliance with all regulatory requirements.

Our dedication to quality is embedded in every product and service we deliver, while our focus on environmental protection drives us to set ambitious, science based goals.

We take pride in our continual improvement through certified management systems **ISO 9001:2015** for Quality, **ISO 14001:2015** for Environment, and **ISO 45001:2018** for Occupational Health & Safety.

By aligning with these standards, we not only enhance performance but also ensure a safer, more sustainable future for our workforce, customers, and stakeholders.

ON TIME DELIVERY

We value reliability, ensuring that we meet our commitments to deliver on time.

COST EFFICIENCY

We maintain competitive pricing while delivering high-quality products & services.

ENGAGED WORKFORCE

Our team members are empowered to take responsibility for their roles and strive for excellence in all aspects of our operations.

COMPLIANCE AND ETHICS

We fully comply with applicable laws and regulations, ensuring ethical conduct in all business dealings.

COMMUNITY ENGAGEMENT

We actively participate in social & charitable initiatives to benefit our local communities.

RESPONSIBLE SOURCING

We source materials responsibly, promoting ethical practices within our supply chain.

POLLUTION PREVENTION

We are committed to preventing pollution and reducing emissions through innovative product offerings.

OPEN COMMUNICATION

We encourage participation and feedback from our employees, fostering a collaborative environment for quality assurance & safety management.
